PRIVACY STATEMENT

The Catalina Country Club is subject to the provisions of the Privacy Act 1988. The personal information provided by you on this form/application and attached documents will be used to process your membership application. Failure to provide all of the requested information may result in your application being rejected. You have a right to access and correct any of your information that the Club holds about you.

The Club does not usually disclose your personal information to any other organisation or person unless there is a legal requirement to do so. The Club may disclose your information to third parties that provide services under contract to the Club. These contracts require the third party to keep your personal information confidential and secure.

Your personal information, including information about you obtained as a result of you placing your membership card in a gaming or other club machine (not ATMs), may be used by the Club for marketing purposes to improve our services and to provide you with the latest information about those services and any new related services and promotions.

CASHLESS TERMS & CONDITIONS

Terms & Conditions

All persons who play gaming machines in the Club, agree that they do so subject to conditions of Gaming Machine Play and the following rules, which shall be the terms and conditions for use of Catalina Cashless Account. If you do not agree to these terms and conditions, you must not play the gaming machines or use the Catalina Cashless Gaming function. The decision of the Club as expressed by its officers and/or employees as to the interpretation of these rules shall be final.

The club, by law, can only issue one player card per person. If your card is lost or stolen you must immediately report this to the Club. Once you have completed the necessary declaration, required by the Club, a card replacement fee may be payable.

The security of money in player accounts is the responsibility of both the Club and the account holder. The government and its agencies take no responsibility for any losses that might occur from the account.

The account holder may at his/her discretion set a weekly account limit by written request to the Club. The request should state the amount that the player wishes to be restricted to each week. If a weekly account limit is set, the player may alter the limit by written request to the club. If the player wishes to decrease the weekly limit, it will be changed as soon as possible but not less than 24 hours after the request is received. If the notice is to increase the weekly account limit, the increase does not take effect until 48 hours after the notice is given to the club.

The account holder is solely responsible for ensuring that the account holder's personal identification number (PIN) is kept confidential and that no other person has access to the account holder's player card.

The account holder is liable for any losses that may arise from, or in connection with, the account holder's failure to comply with such responsibilities.

By participating in Catalina Cashless you agree to be bound by the terms and conditions which are contained in this agreement and as may be varied and notified by the Club from time to time by posting on the Club's notice board or other prominent place in the Club.

Under section 83 of the Gaming Machines Regulation, players issued with a player card have the option of whether or not they wish to participate in the Catalina Rewards scheme operated by the Club at all times. If you do not wish to participate in the player reward scheme please notify the Club immediately.

The Club takes no responsibility for any losses the player incurs as a result of playing gaming machines at the Club whether by coin, cash or player card.

The player acknowledges that certain linked jackpots may be electronically transferred to a winning machine's credit meter.
